Sandi Waite, Director of Student Activities
Jerry Collins, Associate Director of Student Activities

We would like to dedicate the 1999 Intermont to all of those students who have brought light and laughter to our lives over the past years. We are both truly blessed to have worked with students who possess such strength and compassion. To all of the S.A.C. members, R.A.s and S.O.M.s, we thank you for all of the countless hours in making the Student Activities Department a success. Thank you..... for you guys are the reasons that we are in this field and why we continue to grow. You're our scale of success.

Thank you to those who have been true friends to us (and you know who you are) and stuck it out with us, even when things weren't always on track. Thank you for the love and laughter. You will be missed, but not forgotten.

We wish you all the best of luck and the brightest of futures.
Sandi & Jerry

And will you succeed?
Yes! You will, indeed!

Today is your day!
Your mountain is waiting.
So.....*get on your way*!
